24ravens Announces the Industry's First 100% Forever Money Back Guarantee

No nutritional company has ever offered an unlimited, forever 100% money back guarantee – 24ravens is the first.

Whitefish, MT – November 20, 2012 – While many companies work hard to convince consumers of the veracity of their products, 24ravens decided to stand behind their products in the ultimate fashion by becoming the first company in the nutraceutical industry to offer a “100% Forever Money Back Guarantee.” It is so revolutionary for the industry that the company has officially trademarked the Forever Money Back Guarantee.

24ravens, a global nutraceutical company committed to naturally supporting the immune system, has a sports nutrition line represented by Pulse, a biologically-active, non-denatured, native whey protein concentrate and a medicinal-grade product that supports the immune system.

“I believe in Pulse so much that I wanted to remove all risk

a potential customer has about trying it," says Dr. Rollan Roberts II, 24ravens founder and CEO. "I knew that if current whey protein users just tried it, they'd be hooked for life because there's absolutely nothing else like it on the market. There's nothing else that comes even remotely close to tasting as good as Pulse, much less as clean and healthy."

24ravens' new 100% Forever Money Back Guarantee also pays the cost of shipping the product back should a customer not like it. The company believes that this unprecedented guarantee represents the mission of providing Outrageous Customer Service like no other nutritional company has ever done.

Pulse is available at select retailers and online at www.PulseSportz.com.

About 24ravens

Located in Whitefish, Montana, 24ravens combines the most advanced nutritional and cosmetic science and the best of Mother Nature to create one-of-a-kind products that support a healthy immune system. AID is the flagship medicinal-grade product, and Pulse is the flagship sports nutrition product designed for weight management and joint, muscle, and immune system support. They are available at select retailers and online at www.24ravens.com and www.PulseSportz.com.
